## EXPERIENCE

**PROCARE SOFTWARE** (*Childcare center management software, #1 in the space*) Denver, CO  
**IT Intern** June 2021 – Sep 2021

- Eliminated more than 400 unnecessary subscriptions by automating monthly user review with *Python* scripts.
- Spearheaded \$7,000 a month decrease in user cost by cross referencing utility software user lists with employee lists.
- Improved disaster recovery process by adding cross-region replication to an *AWS* snapshot replication *Lambda*.
- Enhanced documentation for runbooks, user review, and disaster recovery processes on *Jira*.

**PARKM** (*Parking management software company for multifamily industry*) Denver, CO  
**Financial Data Intern** December 2020 – Present

- Analyzed financials by creating monthly and year-end summary of revenue and profit by property using *Python*.
- Empowered management team by creating a new financial tracking spreadsheet for 2021 to allow better data to measure and track revenue goals.
- Implemented new financial tracking to add visibility to key growth metrics.

**3T HOLDINGS** (*Holdings in operating businesses in transportation, software, and auction services*) Denver, CO  
**Market Research Intern** June 2020 – Sep 2020

- Collected and analyzed operations data from competitors to the portfolio companies to learn which markets are highest performing and where resources should be focused.
- Recommended specific markets for future expansion to maximize growth and profit potential.
- Created a guidebook of applicable industry laws and regulations throughout the United States for reference as further expansion was considered.

## LEADERSHIP

**NORTHWESTERN UNIVERSITY** (*Top 10 Institution of higher learning*) Evanston, IL  
**Resident Assistant** April 2020 – June 2021

- Fostered relationships with students and helped connect students with university services and staff as needed.
- Managed all resident issues confidentially while staffing the area desks- taking phone calls, registering guests, etc.
- Responded to high-stress situations involving resident's safety in a calm manner and documented issues as necessary.
